PRE-APPROVED SECONDARY DWELLING
UNIT PLANS AVAILABLE

Humboldt County.....The Humboldt Association of REALTORS® has collaborated with the Humboldt County Community Development Services Department on making available to the public constructions plans for four (4) different pre-approved Secondary Dwelling Unit (SDU) designs.

Sometimes called a mother-in-law unit, a SDU can provide an affordable living unit for anyone. By providing pre-approved constructions plans, the cost to build this type of housing is reduced because there are no architect/designer fees necessary. A minimal plan check fee may be required.

Copies of all four pre-approved designs along with zoning criteria and development standards information is available for review at the County's Building Division front counter located at 3015 H Street in Eureka. Application requirements and permitting procedures may vary depending on zoning and the plan chosen.

For more information contact with the Humboldt Association of REALTORS® at 442-2978 or the Humboldt County Community Development Services Department at 445-7245.
